Fall 2008

It's not that easy to think of pool closings while we're still enjoying summer, but it is time to plan ahead. Enclosed is our closing and winter maintenance agreement, and below you will find some suggestions for more effective winter pool care. As always, thank you for your business. It's been our pleasure to serve you this season.

Winter Maintenance

**SERVICE RUNS FROM NOV. 1 TO
APRIL 1 \$399.00 (PREPAID ONLY)**

Help minimize damage caused by snow and ice accumulation with regular monitoring. Our twice-monthly **Winter Maintenance Program** keeps an eye on your property and takes care of problems as they occur:

- Remove leaves & debris & pump excess water from cover
- Secure cover as necessary • Check cover for damage
- Report anything out of the ordinary regarding your property
- Supply you with a written monthly report

Heat your pool!

Extend your swimming season with an energy-efficient pool heater. You'll swim spring and fall, and take away morning & night-time chills!

Southampton Town residents: Call us if you have not received our letter regarding **new pool heater law** going into effect 10/1/08.

HEATER TRAY SERVICE

Your burner tray is the most expensive part of your heater -- and vital to proper operation. Protect your investment with professional heater winterization and maintenance. A factory-authorized service technician will:

- Remove tray and cap off all connections
 - Store the tray in a climate-controlled environment
 - Refurbish tray as needed*
 - Reinstall and test heater for Spring 2009 opening*
- \$199.00 for complete service**

*(Any required parts additional)

Keep your water warmer with a **SOLAR COVER** and convenient reel.

15% Off all Solar Covers and Cover Reels

A solar blanket keeps HEAT IN and prevents energy waste through evaporation. Solar cover reels make cover removal a breeze! Call us for pricing & mention this offer.

LOOP-LOC™ Mesh or Solid Safety Covers

There's only one genuine Loop Loc™ Safety Cover, and we are proud to be an authorized dealer! Eliminate messy covers and water bags forever!

- Cover anchors are flush with your deck or patio when not in use, then pop up to securely anchor the cover
- Available in famous MESH and new SOLID options
- Mesh covers allow rain and melting snow to drain through
- Solid covers come with pumps to remove standing water.

PLEASE CALL US for brochure and price quote.

Visit our retail store across from Macy's for many end-of-season closeouts! **Up to 75% off!**
